

Join the **Mandela Week RUCE #SDCARD Campaign** supporting Grade 12 learners, 15-19 July.

Spend **67 Minutes** to Make a Lifetime of Difference.

In honour of **Nelson Mandela's** legacy, RUCE invites you to contribute to transforming the lives of Grade 12 learners who are facing up to one of the biggest hurdles of their lives - Grade 12! By supplying a Grade 12 learner with a package of curated learning support materials, you can make a world of difference!

Over the years RUCE has hand picked suitable materials, loaded on an SD Card and given to each individual learner based on their subject choices.

#SDcardMakhanda

A Vulindlela programme fundraising campaign

In the spirit of Ubuntu, dedicate 67 minutes to brightening the corner where you are!

The project will equip over 700 Grade 12 Learners with a SD card loaded with current and personalised study materials.

WHY THIS MATTERS

Education is a powerful tool for change, and by supporting this initiative, you are contributing to the future success of our learners keeping them on a career trajectory! Each SD card loaded with study materials can make a significant difference in the academic journey of a Grade 12 learner.

Access to RU for our local learners is critically important. A city-wide collective has been particularly effective. In **2012 only 11 learners** from Makhandha no fee schools enrolled at Rhodes University. After a decade of dedicated efforts, **170 learners enrolled at Rhodes in 2023. Vulindlela** is part of the **VC Education Initiative** that contributes to quality education in Makhandha.

Make a Difference – One SD Card at a Time!

Join us in celebrating Mandela Week by giving your time, resources, or both. Together, we can create a brighter future for the learners of Makhandha.

**Your support, no matter how small, can lead to great changes in the lives of these students.
Thank you for your generosity and commitment to education.**
